Record Keeping Policy

Project Dragonfly CIC

The purpose of this policy

We have record keeping systems in place for the safe and efficient management of Project Dragonfly CIC and to meet the needs of our users and members; that meet legal requirements for the storing and sharing of information within the framework of the GDPR and the Human Rights Act.

Objectives

- Children's records are kept in personal files, divided into appropriate sections, and stored separately from their developmental records.
- Children's personal files contain registration information as specified in procedure Children's records and data protection.
- Separate children's files containing other material described as confidential as required, such as safeguarding information, Common Assessment Framework assessments, Early Support information or Education, Health and Care Plan (EHCP, case notes including recording of concerns, discussions with parents, and action taken, copies of correspondence and reports from other agencies.
- Ethnicity data is only recorded where parents have identified the ethnicity of their child themselves.
- Confidentiality is maintained by secure storage of files in a locked cabinet with access restricted to those who need to know. Electronic records are kept on preschool's laptop which is password protected, and access is restricted. Client access to records is provided for within procedure Client access to records.
- Staff know how and when to share information effectively if they believe a family may require a particular service to achieve positive outcomes.
- Staff know how to share information if they believe a child is in need or at risk of suffering harm.
- Staff record when and to whom information has been shared, why information was shared and whether consent was given. Where consent has not been given and staff have taken the decision, in line with guidelines, to override the refusal for consent, the decision to do so is recorded.

- Guidance and training for staff specifically covers the sharing of information between professions, organisations, and agencies as well as within them, and arrangements for training takes account of the value of multi-agency as well as single agency working.
